

UNITED STATES DISTRICT COURT

FOR THE DISTRICT OF UTAH CENTRAL DIVISION

CASE NO.2:21-cv-00337 HCNCMR

Khans v. Merit Medical inc

Plaintiff Nazir khan files this motion that Honorable Judge Romero

Unfairly favored Defendant Merit Medical you played a discriminatory role worked with Judicial prejudice , on 9/3/2021 DKT 30 you restricted plaintiff to file any motion allowing Defendant to file motions , iwas left defence less ,you granted Defendants motion for sanctions under sec 265 when you had no dispositive authority under statue 28USC 636(c) you were a referral judge, you worked with partiality permitted Merit Medical to take way Plaintiffs patent 344 in violation of constitutional rights of plaintiff , you knew accused HeRO graft has no patent Merit had no standing in this litigation

I request you substitute yourself with another Judge so that justice is done to patent owner , the practice helping company merit Medical to take away Khans patent 344 and sanction him violates constitution Art1 sec 8 clause 8 and 14<sup>th</sup> amendment of Constitution due process clause.
